

# PRIZM RED

Ceramic Triple Foam

## DESCRIPTION

We took the Foam Bead triple foam series and upped its game by adding a ceramic additive to create our Prizm series of triple foams. It is the same great triple foam polish as before, but now it comes with a ceramic enhancement. The ceramic additive boosts the rinsing while helping to generate a deep shine. Which, as we all know, has become so important in such a competitive market.

## USAGE INSTRUCTIONS

This product should be applied using a foam generation applicator (foam stick, shower head, pod, foam curtain, etc.). Begin by applying it at 400-500:1. This product is viscous and thus may require larger metering tips/settings to pull at the proper rate. The Prizm series is ideally diluted with soft water, but it will still work well with harder water. Use in friction, touch free and self-serve applications.

## FEATURES

- Helps produce a deep shine
- Bold foam color and intense fragrance
- Foam collapses and rinses easily
- Ideal for use in all applications

## SIZES AVAILABLE

Twin Packs	Code: 10-70208-888
5-gallon pails	Code: 10-70208-005
5-gallon TH	Code: 10-70208-444
15-gallon drums	Code: 10-70208-015
30-gallon drums	Code: 10-70208-030

## SPECIFICATIONS

COLOR:	RED
FRAGRANCE:	BERRY
FOAM:	RED
PH:	6.5

**ANYTHING  
BUT ORDINARY**
